

## Student User Survey for LifeLines OnLine Cases

Institution: \_\_\_\_\_ Semester \_\_\_\_\_ Year \_\_\_\_\_

1. Name of Module: \_\_\_\_\_

2. In which course did you use this module? \_\_\_\_\_

3. What did you **like** about learning using this module?

4. What did you **dislike** about learning using this module?

*Read each statement and circle the number that best characterizes your own response.*

<u>General Observation</u>	<u>Disagree</u>	<u>Neutral</u>	<u>Agree</u>
5. We worked more collaboratively than usual using the LifeLines OnLine case.	1	2	3 4 5
6. This case was interesting to me.	1	2	3 4 5
7. I felt we had enough time to search for resources and to do the assignment.	1	2	3 4 5
8. I was able to locate different resources.	1	2	3 4 5
9. I felt I had a better understanding of the process of science after using this module.	1	2	3 4 5
10. I have a better understanding of the biology related to this case as a result of using the case.	1	2	3 4 5
11. The case was easy to use.	1	2	3 4 5
12. I was able to provide well-supported conclusions.	1	2	3 4 5
13. I feel I understood the main issues of the case.	1	2	3 4 5
14. We were able to identify questions to be investigated further.	1	2	3 4 5
15. The students were able to use convincing argumentation with their peers.	1	2	3 4 5
16. The students were able to understand the case and pose a question to be pursued.	1	2	3 4 5
17. My overall experience with case based learning was satisfactory.	1	2	3 4 5

18. Would you like to use cases again as a tool for learning biology in the future? Please explain.
